A WEEKLY BULLETIN FOR ALL MOUNT ST. MARY'S COLLEGE STUDENTS

8/26/94

## New Semester Greetings

Dear Athenians:

Welcome to the 1994-95 academic year at Mount St. Mary's College! This is an exciting year for all of us. The "look" at both campuses is different, with major library projects underway at Chalon and Doheny. The library is the heart of a liberal arts college, and our heart is being infused with technology and vigor. We ask your patience as these projects go forward. The outcome is sure to be well worth all the effort and dedication.

I invite you to participate in the process of making MSMC the best college it can be. Bring your suggestions, questions, and concerns to the Student Affairs Offices on either campus. There is so much we can accomplish by joining together. Best wishes for a personally challenging and rewarding semester!

Dr. Jane Lingua  
Dean for Student Affairs

## MSMC Listed in Barron's

Do you remember what it was like to search for the right college? This year, when high school students begin that quest, there will be a newly-published resource to explore: the prestigious *Barron's Best Buys in College Education*. Mount St. Mary's College is featured in the '94 edition, which will be available in September. The listing includes a profile of MSMC and comments from some of our students, surveyed earlier this year.

## Mark Your Calendar for a Musical Horizons Day

*The Exploration of Music as an Insight into Culture*, the theme of our Horizons Day program, will be brought to life by the magnificent Transfiguration Choir directed by Oscar Pratt. The annual all-College convocation is scheduled for Wednesday, September 28, in Carondelet Center Chapel. The choir, chosen to sing for Pope John Paul II upon his visit to Los Angeles, is the finest and most versatile African-American Catholic Choir in Southern California. In the Choir's publicity materials, a Transfiguration Church parishioner is quoted as saying about one of the Masses regularly sung by the choir, "If you can fall asleep during the ten o'clock Mass, honey, you're already dead."

As is our tradition on this occasion, a complimentary picnic lunch will be served at 11:30 a.m.; the program begins at 1:00 p.m. Look for more details about this event in future issues of the *Front Page*.

## Join the Yearbook Staff!

Photographers, layout designers, and copywriters are needed to create the 1994-95 yearbook. All interested Chalon and Doheny students are invited to attend the first yearbook staff meeting on Monday, September 12, at 7:00 p.m. in the Humanities 2nd floor conference room on the Chalon campus. For more information, call Monica Lond, yearbook advisor, at 310/471-9515 or, ext. 515.

## Leadership at MSMC--Be Part of a Tradition

A one unit seminar--Introduction to Leadership--will be held September 16-17 on the Chalon campus for returning students on both campuses who would like an intensive leadership experience. Through interactive learning, students will explore theories of motivation and leadership, and receive individualized profiles that include feedback on personality temperament, leadership style, and potential career opportunities. Call ext. 301 for information.

## Loan Entrance Interview Schedules

If you have a Federal Stafford Loan or Federal Unsubsidized Stafford Loan as part of your 1994-95 financial aid award, you will need to attend a **mandatory** Financial Aid Entrance Interview. The interview will provide valuable consumer information about your rights and responsibilities as a student borrower.

# Mount St. Mary's COLLEGE

## M E M O R A N D U M

To: Mount St. Mary's College Faculty and Staff  
From: Lucy Lee, Director of Public Relations  
Re: Traffic-Chalon  
Date: 24 August 1994

Welcome back! With the start of a new academic year, it is time, once again, to be reminded of our agreement with the Brentwood community to minimize the impact of increased traffic flow in the neighborhood. **WHEN COMING UP THE HILL TO THE CHALON CAMPUS, TAKE THE NORMAN PLACE ROUTE TO THE COLLEGE OR CARONDELET; GOING DOWN THE HILL, TAKE BUNDY. THIS REQUIRES THAT YOU MAKE A RIGHT TURN AS YOU LEAVE THE COLLEGE.**

Several persistent neighbors are especially disgruntled about the truck and delivery traffic connected with work on the Coe library at Chalon, so I appreciate your continued courtesy and cooperation with regard to our routine traffic flow.

Also, at the end of the last semester we received a number of complaints about cars driving in the neighborhood at unsafe, excessive speeds. You should be aware that police officers are being regularly summoned to the area by residents concerned about speeding. Let's make sure that Mount St. Mary's staff and students are not the unhappy recipients of speeding tickets.

Remember that the residential speed limit is 25 mph on Norman Place, and 30 mph on Bundy. Many area residents are walking their dogs or jogging during the hours that commuters are heading to/from campus. Please be extra alert for neighborhood children playing or riding their bicycles.

Finally, if you observe anyone driving recklessly or exceeding the speed limit, you may report a description of the vehicle and license plate number directly to me at x537, or stop by my office in Rossiter. I am also concerned about delays or hazardous road conditions resulting from renovation of some of the homes in the neighborhood -- so do let me know if you have problems getting to/from campus for any reason.

Many thanks.

A WEEKLY BULLETIN FOR ALL MOUNT ST. MARY'S COLLEGE STUDENTS

9/30/94

## U.S. News and World Report Ranking Changes

Yes, our ranking did change in the *U.S. News and World Report* magazine annual survey (9/26/94). The magazine uses the Carnegie Classification system ( a hierarchy of colleges and universities grouped according to such attributes as size, location, types and numbers of degrees awarded, etc.) as the basis for their survey.

Carnegie announced a new classification system last spring, and dozens of institutions were affected. Mount St. Mary's was moved out of the category of "regional liberal arts college," where we have been ranked among the top ten for the last several years, to the category of "regional **university**." The change in category was made by the Carnegie Commission based primarily on the increase in the number of graduate degrees MSMC awards each year.

This means we are now competing with universities that are generally larger and more heavily endowed than MSMC; therefore, we did not appear in the top listings in the new category.

The good news is that we were considered for the magazine's new "Best Buys" ranking (10/3/94) because we still fall into the top 20 percent of that new and more competitive field of regional universities. When researchers weighed both quality and cost, MSMC was named **#9 among the top ten Western regional universities in the U.S.** *News and World Report* list of "Best Buys."

## The 1993-94 Yearbook is In

## **Are You Planning An Event for Women's History Month? (March, 1995)**

### **Would You Like To?**

As the only Catholic women's college west of the Mississippi, **Mount St. Mary's College** should make **Women's History Month** a special time of the year. This academic year is particularly special because the College has begun a Women's Studies Minor. A Women's Studies Advisory Committee made up of students, faculty and administrators has formed to "advance women's studies and the awareness of women's issues." This committee would like to help promote and coordinate your activities for Women's History Month. We would like to develop a calendar of all the events that will celebrate women's lives next March.

**What can you do? Sponsor a speaker. Show a video. Put on a play. Have a debate. Give a talk. Invite an artist. Throw a luncheon. Be a part of a panel. Find a film. Make a display. Beautify a bulletin board. Develop a poster. Wear a sandwich sign. Sing a song. Voice an opinion. Rock the boat.**

Many organizations have sponsored events in the past and have already made plans for Women's History Month. Let us know what you are planning so we can help make some history (herstory) next March. Please fill out and return the form below.

## Interested in a Holiday Fund Raiser?

Let's get in the holiday spirit! Both staff and students are welcome to participate in a holiday craft and bake sale, sponsored by the human resources department. Employees and students could bring crafts to sell, with at least 10% of the proceeds going to a charity chosen by the College. For those who would rather bake, we will also have a bake sale with all proceeds going to our chosen charity.

This fund raiser would provide extra holiday money for those that sell their crafts; offer gift ideas for those that have limited time to shop for the holidays; allow people to get to know each other and enjoy their creative talents; and support a good cause.

Before we get this idea going, we'd like to get an idea of the level of interest we can expect. The sale is tentatively planned for Thursday, December 1 and/or Friday, December 2.

If you are interested in participating in what should be a fun event, or have questions or comments, call *Beth Klepper*, benefits coordinator, at ext. 870.

### **ATTENTION GRADUATING SENIORS**

The end of your college career provides many opportunities for the College to recognize your achievements through honors and awards. In order to be considered for these honors, you must complete an "*Honors Consideration Form*" available in Student Affairs (H200), the ASB Office (1st floor Humanities), the Assistant Vice President's Office (H410) or the Leadership Office (Brady Patio). For fullest consideration, forms should be submitted no later than March 3.

# CAMPUS MINISTRY NEWS

Do you want to be **Confirmed** this year? If you are a baptized Catholic who has received First Communion, you may be able to be confirmed this April. But you must contact Gail Gresser in the Campus Ministry Office *this week* by calling 471-9837, sending a note to Box 102, or by stopping by the office on the first floor of the Humanities Building.

The student project for **Feeding the Homeless** continues each week. Meal bags are prepared every Sunday at 4:30 pm in the Campus Center kitchen, and are then brought to the Chapel to be presented as gifts during the 6:00 pm Mass. Immediately after Mass, a group leaves for Santa Monica and distributes the meals to the homeless. You are welcome to participate in any part of this project: although it helps to know who is coming ahead of time, there is no requirement to sign up in advance. If you have any questions or know a definite time you could volunteer, please contact Linda Nguyen, Rose Kennedy or Lovella Carrido (Project Coordinators) in the Campus Ministry Office.

**Thursday Mid-Day Prayer** is held each week from 11:30 - 11:50 am in the Mary Chapel. This week, on February 16, this interfaith, all-college service will be led by Sister Teresita Espinosa.

When you were in high school, did you participate in a **Kairos** retreat? Are you interested in forming a "Fourth Day" group on campus, or preparing one for next year's freshmen? If so, please contact Pauline Fletcher in the Campus Ministry Office.

The **Sunday Mass Choir** always welcomes new members! If you love to sing or play an instrument and can make a commitment to be at practice each Sunday at 5:00 pm, contact Christopher Walker in the Music Department at 471-9535 or Campus Ministry.

Remember that **Sunday Mass** is celebrated each week at 6:00 pm in Mary Chapel. Everyone is always welcome to come — including friends and relatives. If a child will be coming to Mass, please let Gail or Sheree know ahead of time if possible, so that we can arrange for a children's Liturgy of the Word. Also, please contact Gail, Sheree or the priest before Mass if you have a friend on campus who's too ill to come so that we can send communion to her.

During the week of April 9-13, we will be observing **Holocaust Remembrance** on campus. If you would like to help in the planning of these days, please leave your name in the Campus Ministry Office.

## CAMPUS MINISTRY NEWS

**LENT BEGINS** this week. **ASH WEDNESDAY** Mass will take place at 12:00 noon on Wednesday, March 1 in Mary Chapel. Ashes will be distributed.

At the Ash Wednesday Mass we will also be celebrating the **Rite of Sending** for Lovella Carrido. Lovella, baptized a Catholic, is preparing to complete her initiation this Easter through Confirmation and Eucharist. At the Rite of Sending, the community will be asked to discern whether she is ready to proceed to the Rite of Election on the first Sunday of Lent, which is the final turning point in her intensive preparation for Easter.

**By popular demand...**we will be observing Lent with some traditional devotions. On Mondays at noon, beginning on March 6, you are invited to join in praying the **Rosary** in the chapel. And each Friday at noon, beginning on March 3, come walk the **Stations of the Cross**, beginning in the circle and proceeding up the hill. (Wear your walking shoes!)

For Christians, Lent is traditionally a time for fasting, prayer and almsgiving. We invite you to pay special attention to eating in a simple and healthful way during Lent, and remind you that Fridays are to be days of especially simple meals and abstention from meat. (This is meant to teach us our dependence on God and respect for animals, as well as to help us to remember the hungry). Think about making a Lenten commitment to coming to Mass each Sunday or joining one of the reflection groups on Monday or Tuesday evenings, or participating in the Thursday 11:30 am reflection, or in the rosary or Stations during the week. Think also about taking extra time for service to those in need: help prepare a meal for the homeless on Sunday, or go visit a sister at Carondelet Center, or write that Amnesty International letter. All of Lent is a time of preparing to renew our baptismal promises on Easter, by which we again commit ourselves to living as followers of Christ.

**Confirmation** is scheduled for Sunday, April 30 at 1:00 pm. Confirmation candidates need to meet this Sunday, February 26, at 4:00 pm in Hannon Parlor.

**Thursday Mid-day Reflections** continue each week at 11:30-11:50 am. This week, the reflection will be given by Lynn Pearson.

## CAMPUS MINISTRY NEWS

**It's Lent!** For Christians, Lent is the time for renewing commitment to baptismal vows and to living as followers of Christ. From the beginning of Christianity, Lent has been marked by (1) Fasting, (2) Prayer and (3) Almsgiving. Try to find new meaning in these ancient observances by:

- Watching carefully what you eat, and eating no more than necessary. The Church asks that we abstain from meat at least on Fridays, and that on Ash Wednesday and Good Friday, we eat no more than one simple meal, with nutritious snacks taken as necessary. But each of us can usefully consider the spirituality of our eating habits, trying to eat in a way which is nourishing to our bodies and souls, and in a way which cultivates care for the earth, gratitude, and appreciation for the gifts of the earth, awareness of our dependence on God, and solidarity with those who are hungry.
- Joining in Sunday Mass (6:00 pm), Monday or Tuesday reflection groups (7-8:00 pm in Hannon Parlor), Stations of the Cross (Fridays at Noon in the Circle), the Rosary (Mondays at noon in the Chapel) or finding time to pray alone or with your friends each day.
- "Almsgiving" refers to giving to the poor. This could be the giving of material items, of money, or, perhaps more importantly, of your time.

Maybe this is the time to clean out your closet and donate what you do not need to the St. Joseph Center. Or perhaps you'd like to donate food or money for helping to feed the homeless on Sundays. Your old (clean) nylon stockings can be used in a Calcutta center for the treatment of leprosy to help keep the bandages of homeless lepers in place. You can leave any of these items with Campus Ministry. You can help make sandwiches for the homeless on Sundays at 4:30 pm in the Campus Center kitchen, or help to distribute them after Mass (around 7:00 pm). You can visit Sisters in the Carondelet Center or join in the activities scheduled for them by students. You can write an Amnesty International letter helping someone who is in danger of torture or execution. You can help in the religious education of developmentally disabled children on Saturday mornings at St. Martin de Tours. Call the Campus Ministry office. The possibilities are endless. The important thing is to do *something*.

**Lent began as the time of preparing Catechumens for Baptism at Easter.** Today it continues as the intensive period of spiritual preparation for those who are to be fully initiated into the Church at Easter time. Although she was baptized as a Catholic, *Lovella Carrido* had little further contact with the Church until she came to the Mount. On Sunday, April 23, at the 6:00 pm Mass, after preparing for two years, Lovella will be fully initiated as a Catholic Christian. With everyone else, she will renew her baptismal vows, and then she will be confirmed and brought to the altar to celebrate the Eucharist with us for the first time. This Sunday, March 5, Lovella will participate in the Rite of Election, in which the bishop will affirm the decision of our community that God is calling Lovella to life as a Christian, and will lead the Archdiocese in praying for her and all of the candidates and catechumens (now called "Elect") who will be initiated this Easter.

### **But what if you want to grow spiritually but are not comfortable with organized religion?**

This Thursday, March 9, a new group known as the "Seekers" will begin meeting in the Casa from 7:00 to 8:00 pm. This is especially designed for people who wish to continue to grow spiritually despite discomfort with religious structures or language. If you are interested in such a group, you are welcome just to come on the 9th, or contact Pauline Fletcher in the Campus Ministry Office.

# Do You Think Women Should Still Have the Right to Vote?

The Division of Student Affairs invites you to join us as we celebrate the 75th Anniversary of the Passage of the 19th Amendment, the Women's Suffrage Act. Come join us in the Circle on Monday, March 20th, from 11:30 am to 12:30 pm as we celebrate the right to vote; a mock election and important issues will be held to commemorate the struggle of the original suffragettes. Some of the issues will include:

- \*Paid maternity leave
- \*Federally funded breast cancer research
- \*Federally funded pre-natal care
- \*Tougher laws on sentencing concerning domestic violence
- \*Constitutional rights awarded by Roe vs. Wade

## Siena Day '95: A Celebration of Asian Culture

*"I see the stage as my place of ritual, to dissolve boundaries and elevate our consciousness."*

-- Nobuko Miyamoto

Continuing our exploration of the arts as an insight into culture, Siena Day '95 features Great Leap's Nobuko, in concert with The Uncourtly Musicians, performing original music and poetry by and about women. A composer, musician, actress, and poet, Nobuko began her career as a dancer in film and Broadway musicals, such as *West Side Story*, *The King and I*, and *Flower Drum Song*. In 1978, she founded Great Leap, Inc. to support the creation of new works by Asian-American musicians and artists.

Siena Day, an all-College convocation, honors the spirit of Catherine of Siena, a visionary 14th century "activist," recognized for her commitment to community service.

Festivities include: a spectacular complimentary lunch, featuring Pacific Rim food stations; Asian-American student dance performances; a Tai Chi demonstration; and a special prayer dedicated to the citizens of Kobe, Japan.

## Attention Graduates!

If you have borrowed a Federal Stafford Loan (GSL) or a Federal SLS Loan at any time during your education at MSMC, the federal government requires that you attend a loan exit interview before you graduate.

The financial aid office will hold these interviews in a group workshop format, with local lenders present to answer any questions. You will receive information on the total amount in loans you have borrowed, who you must repay, what your approximate payments will be, and useful information pertaining to transferring to other schools, obtaining deferments, etc.

Attendance is mandatory, so please plan to attend one of the following workshops at your convenience, at either campus. Failure to attend a workshop may result in a withholding of your transcripts, which are needed for graduation.

Please contact Didi, financial aid technician at Chalon, or LaRoyce or Nick, financial aid counselors at Doheny, to let them know which workshop you plan to attend. (You may switch your time, but please inform the financial aid office.) *Thanks!*

## THE VOTES ARE IN!

Last Monday, March 20, Student Affairs sponsored a Women's History Month Election in honor of 75 years of women's suffrage. Many of you took advantage of these voting rights, and here are the results:

1. The federal government should pay for termination of pregnancies for poor women.

45% said yes

55% said no

Comments: Some thought that a federally funded termination of a pregnancy was okay only if it was medically necessary or if it was not used for sterilization purposes.

2. A man who is convicted of murdering his wife, live-in companion or girlfriend should be executed.

45% said yes

55% said no

3. A woman who is convicted of murdering her husband, live-in companion, or boyfriend should be executed.

36% said yes

64% said no

Comments: The punishment depended on what the time was (for both sides), but most suggested that rehabilitation would be better than execution.

4. The federal government should provide pre-natal care to poor women who do not have health care coverage.

95% said yes

5% said no

5. Women have the right to terminate their pregnancy:

13% said only in the case of rape.

25% said only if the life of the mother is endangered by the pregnancy.

53% said Unconditionally yes.

8% said Unconditionally no.

6. Women should be given paid maternity leaves of up to three months:

4% said in the public sector.

5% said in the private sector.

89% said both public and private sector.

3% said never.

7. Men should be given paid paternity leaves up to three months:

1% said in the public sector.

5% said in the private sector.

70% said in both public and private sector.

24% said never.

8. A man who batters his wife, live-in companion, or girlfriend should be sentenced to a mandatory jail term for:

3% said a 24 hour "chill out" period.

15% said for 30 days.

18% said for six months.

64% said for one year or more.

Comments: Counseling or rehabilitation while jailed was suggested.

9. The California Civil Rights Initiative (CCRI), which repeals affirmative action for women and minorities, would remove ethnic antagonism in California.

8% said highly likely

9% said likely

28% said somewhat likely

49% said not at all

10. Affirmative action is still necessary today:

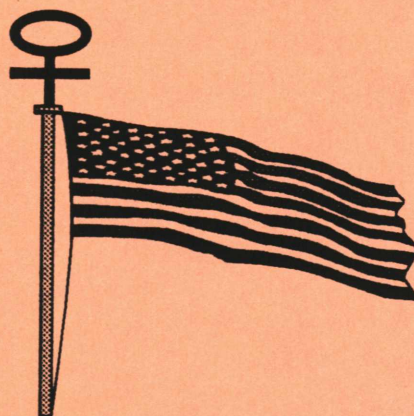

5% said for women

2% said for minorities.

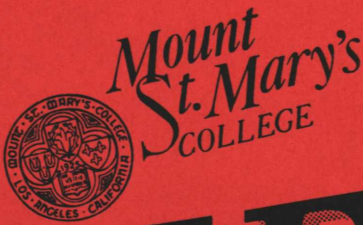

77% said for both women and minorities.

20% said not at all.

We know that these were tough issues, but we appreciate your opinions! Thank you!

## Fund Raiser for Mary Magdalene Project

Members of ASB and SIFE are sponsoring a silent service auction in the foyer of the Little Theater, Chalon campus, **April 3-7** to raise funds for the Mary Magdalene Project. By bidding for a student's service, or donating a service, students can help rehabilitate prostitutes. Examples of donated services or services for bid are: typing, washing cars, filing, chauffeuring, cleaning, creating personalized greeting cards, etc. Please contact Bernadette Lee at 310/472-9113 or Kris Trager-Straw at 310/472-0886 for information.

**Editors Note:** *In 1650, the Sisters of St. Joseph were founded in Le Puy, France, to educate women in prisons, orphans, widows, fallen women, and young girls. The Sisters' mission was to find lodging and respectable work for "poor girls who ran the risk of losing their honor."*

## From Food Services

Did you know that you can save yourself and the Mount community time, money, and unnecessary complications if you submit your Special Food Requisition form at least 15 days in advance of your event? This way, food services has time to plan, organize, purchase supplies, and allot staff in order to give you the best possible service and price. This will reduce the amount of stress for you, the catering department, and the food services staff. In addition, the College will not suffer any unnecessary loss of funds.

**THE SACRED TRIDIUM**, our high holy days, begin at Sundown on Holy Thursday, April 13 and continue until Sundown on Easter Sunday, April 16. The word "Tridium" is Latin for "Three Days" - days during which we are asked to refrain from work and distractions of all kinds.

Beginning with the Mass of the Lord's Supper on Holy Thursday night, and concluding with the Great Easter Vigil on Holy Saturday night (the most important liturgy of the year), try to refrain from any but the necessary food, from all meat, from work, TV, radio or other entertainments. This is the time of intensive "fasting" in many ways to prepare ourselves for the great celebration of life at the Easter Vigil - which begins a full 50 days of feasting, partying and celebration of Easter.

In celebration of the Easter season, join us on Monday, April 17 and Tuesday, April 18 at 11:30 am in the Circle for:

- \*a chance to show your talents as an Easter egg painter
- \*an Easter egg hunt (prizes include pots of daffodils!)
- \*the selection of the winners from our Easter basket raffle

Join other Mount students at Carondelet Center on April 19th, from 3:30-5:00 pm for an Easter Carnival with the sisters. Call Jackie Nguyen at 471-1879 for more information.

On April 23, the Second Sunday of Easter, the 6:00 pm Mass will begin in the Lecture Hall. We will be blessing the new water at which we renew our baptismal promises, and will welcome Lovella Carrido, completing her Christian initiation through Confirmation and Eucharist.

**HOLOCAUST REMEMBRANCE** at the Mount coincides with Holy Week. On Sunday, April 9, meet in the Circle at 10:00 am to join us for a trip to the Museum of Tolerance. We will return at 2:00 pm. Contact Linda Thuy Nguyen at 476-5053 if you wish to join the group. The fee is \$5.00.

On Monday, April 10, at 7:00 pm in Hannon Parlor, watch a video on the History of Christian anti-Semitism, culminating in the Holocaust, entitled "The Longest Hatred: From Cross to Swastika."

On Tuesday, April 11 at 5:00 pm in Hannon Parlor, come listen to the memories of a Holocaust Survivor.

On Wednesday, April 12 at 12:00 noon in the chapel, we will have a prayer service of atonement for Christian anti-Semitism.

Finally, on Wednesday night, April 12, at 7:00 pm in Hannon Parlor, there will be a showing of Schindler's List, the story of the response of one man to the evils of the Holocaust.
